# Street Survival Guide

Winter 2019/2020  
Fourth Addition

## **About**

The Fredericton Street Survival Guide is a publication of the Community Action Group on Homelessness partnered with St. Thomas University Students.

This Guide was created as a one-stop resource guide for those experiencing, or at risk of, homelessness in Fredericton. It was created with the support of dedicated individuals with lived experience of homelessness.

The Guide is not a full list of all services available in Fredericton. The listing of an organization in this Guide does not indicate its endorsement, nor does the exclusion of an agency imply a lack of approval. Some additional information about services is available through the CAGH's website:

**[www.roadhomefredericton.com](http://www.roadhomefredericton.com)**

The CAGH's mission is to strengthen community capacity to end homelessness in Fredericton through collective planning, collaboration, and community engagement.

The Fredericton Street Survival Guide aims to share emergency services and supports to those experiencing homelessness; however, we recognize the only true solution to ending homelessness is housing and the supports needed to maintain it.

- I can leave unless I am being detained or arrested.

- If I am being detained or arrested, I have a right to know why, and a right to speak privately to a lawyer – without delay – even if I can't afford to pay.
- I have a right to know a police officer's name and badge number.
- I can report a police officer who abuses me, swears at me, or violates my rights.
- I can report a crime at any time by going to the Police Station at 311 Queen St.
